**SNOWSPORTS 2010**

**INFORMATION PACK**

2 February 2010

Winter is fast approaching and it is time to plan for the 2010 Snowsports season. From the number of students approaching me regarding Snowsports, it looks as though we will have another large team this year.

Oxley College in the past, has done exceptionally well at the Interschools Snowsports Competition, in all disciplines. It is not uncommon to have students from Oxley College doing well at the Northern Region Championships, qualifying for the State and National Snowsports Championships. In 2009 we had 2 competitors qualifying for the National Championships.

Take time to look at the dates of this year's competition and return the expression of interest slip to me ASAP.

Please understand that all relevant expenses and accommodation bookings are the responsibility of the competitors.

Do not hesitate to contact me if you have any queries and I encourage you to look at the Interschools website: [www.interschools.org.au](http://www.interschools.org.au). This website has all the information you require on Interschools Skiing and Snowboarding.
