

SWIMMING 2010

1 February 2010

Dear Parent,

Our short and very busy Swimming Season is about to commence. All major Carnival dates are included. The Invitational Carnivals are an excellent lead up to the Oxley and ISA Swimming Carnivals. Students are also reminded that the Oxley Swimming Squad training is continuing at Bowral Pool.

Members of the 2010 Oxley Swimming Team would be encouraged to attend the following Invitational Carnivals. Please make sure these dates are on your calendar for Swimming 2010. Permission notes will be sent home soon.

It is important that the students are quick to return permission notes to student services to assist in the organisation of transport and the team. There is little time after the Oxley Carnival to finalise teams.

2010 Swimming Carnivals

2. **Wed 10 February 2010 - Oxley 100m Freestyle - Mittagong Pool - Wk 3A**
3. **Sat 13 February - St. Andrews Swimming Carnival - Drummoyne Aquatic Centre - Wk 3A**

8. **Wed/Thu 28/29 April - NSW CIS Swimming Carnival - SOPAC, Homebush - T2 Wk 2B**

Points to consider:

- A. If a student is placed first or second at the Oxley Carnival, the student will probably be asked to swim at the Twilight or ISA Carnivals. It is expected that they commit to these carnivals.
- B. Students must nominate at school to compete in the Oxley 200m IM and 100m free.
- C. The St. Andrews Carnival is before the Oxley Carnival and is open to all swimmers.

Yours sincerely,
